Our patients
know
when they
haven't had
enough care
or if their needs
are different.

When I first
I thought that
these folks the
shape of the
country, so I
gave
them a home
address
in school.

Now the patients
are scattered
in prisons all over
the country, and
with them 11%
of their care is
lost. The patients
are scattered.

I am asking you this
question for the patients
in the prison, so
they can receive
the care they need.

I have not
heard that
the government
is doing
anything
to help us.
